

Envision 17

AUTOMATION IN INFORMATION TECHNOLOGY

“Envision 17” the annual systems conclave organized by XSYS, the systems association of XIMB-XUB, was flagged off on 26th August 2017 with a lamp lighting ceremony.

The esteemed speakers invited to this event were: Mr. Bhavesh Kumar, Head-Engineering and Technology: Data, TESCO PLC Mr. Satya Shankar Mahapatra, Sr. VP, Risk and Analytics, Barclays Investment Bank Mr. Joydeep Dutta, Executive Director and Group CTO, Central Depository Services Ltd Mr. Ritesh Srivastava, Director of IT, MSD Pharmaceuticals Pvt. Ltd Mr. Debasish Mohapatra, Project Quality and Global Quality Capability Team Lead, Shell India Markets Pvt Ltd, Dr. Bhaskar Basu, Faculty of Information Systems, who was the moderator, introduced the day’s topic “Automation in Information Technology”.

The speakers then took the stage and enlightened the audience by providing insights on how automation and information technology is applied in the banking, retail, pharmaceuticals and oil & natural gas industry.

The discussion revolved around the way automation & IT is adding value to businesses and making processes more efficient than ever before.

After the talk and Q&A session, the panelists were called upon to release “X-ITe” the annual magazine of X-Sys followed by a vote of thanks by Prof. Rahul Thakurta, Associate Professor, Information Systems.
